

# HONESTY

*“I hope I shall possess firmness and virtue enough to maintain what I consider the most enviable of all titles, the character of an honest man”*

A large, white marble statue of Abraham Lincoln, seated in a chair, is the central focus of the lower half of the image. The statue is set against a dark background with blue light rays emanating from behind it. The statue's right hand rests on the arm of the chair, and its left hand is clenched in a fist.
